TRANSCRIPT

MONASH University

# Deepika Govindaraj

has completed the following course:

## THE SCIENCE OF MEDICINES
MONASH UNIVERSITY

85% AVERAGE TEST SCORE

This online course explored the science of key medicines used to manage heart disease, depression, diabetes, pain control and smoking cessation.

### STUDY REQUIREMENT
6 weeks, 3 hours per week

### LEARNING OUTCOMES
- Describe the physiological impact of common medical conditions on the human body.
- Investigate the chemical structures of modern medicines.
- Explain how the chemical structures of medicines make them effective in treating specific medical conditions (pharmacology).
- Explore how the design, delivery and dosage of medicines influence their effectiveness (pharmaceutics).
- Discuss the human aspects of taking medicines, including side effects and addiction.

### SYLLABUS
- The composition and roles of different members of a patient's healthcare team.
- An overview of how the human body works and the key systems within it.
- An overview of the fundamentals of chemistry: elements, bonds, molecular structures and intermolecular interaction.
- The importance of the chemical design of medicines to their treatment of specific conditions (pharmacology).
- The importance of the design, delivery and dosage of medicines to their effectiveness (pharmaceutics).
- Diabetes and how hypoglycaemics work to treat it.
- Heart disease and how atorvastatin works to treat it.
- Pain and how morphine works to treat it.
- Smoking and how treatments for nicotine addiction work.
- Depression and how antidepressants work to treat it.

## Gavya Vijayakumar

has completed the following course:

**INTRODUCTION TO BUSINESS MANAGEMENT**
KING'S COLLEGE LONDON

This course introduced foundational business concepts, tools and terminology whilst exploring four key aspects of business management: managing money, managing people, managing information, and – most importantly – managing and understanding yourself. Throughout the course, participants were encouraged to reflect on their own management and leadership style and consider the concepts of success, sustainability, and social responsibility.

**STUDY REQUIREMENT**
4 weeks, 4 hours per week

**LEARNING OUTCOMES**
- Apply a range of business concepts, tools and terminology to common business situations
- Explain the importance of business management for you and your community
- Identify your own skills, interests and ideas, and how you can continue to develop them
- Explore opportunities and challenges of working with others: including collaboration, listening to others, feedback, negotiation
- Explain the important aspects of a business idea to potential customers and investors
- Reflect on what you've learnt and how you will apply this now

**SYLLABUS**
- Managing yourself: introduction to management and leadership styles.
- Managing money and key financial concepts, including the implications of various sources of finance and the relative importance of cash flow and profit.
- Managing people, stakeholder management and professional communication.
- Managing Information: different information types and key information management issues.
- The roles businesses play in the lives of people and communities, and social responsibility.
- Aspects of growth and the effects of success.

## Gavya Vijayakumar

has completed the following course:

**LEADING CULTURALLY DIVERSE TEAMS IN THE WORKPLACE**
**DEAKIN UNIVERSITY AND DEAKIN BUSINESS SCHOOL**

100% AVERAGE TEST SCORE

Cultural diversity in the workplace allows organisations to benefit from differing opinions and approaches. Cross-cultural management is integral to the successful performance of teams. On this course, you addressed the impact of cultural diversity at work to understand both its challenges and benefits to your team. You learnt how to lead a diverse and inclusive team. Completing this course means you should be ready to apply what you've learnt in your own workplace.

**STUDY REQUIREMENT**
4 weeks, 3 hours per week

**LEARNING OUTCOMES**
- Identify and interpret cultural diversity within your organisation
- Develop sensitivity to cultural variations between and within countries
- Reflect on how culture influences your perspective
- Develop a deeper understanding of the opportunities and challenges of culturally diverse teams, and how to manage these
- Explore complexity associated with global virtual teams
- Improve communication across cultures and distance
- Identify how to leverage cultural diversity in teams to produce more creative solutions and make better decisions
- Identify how to harness the skills and abilities of multicultural individuals in teams
- Develop an ability to inclusively lead diverse teams

**SYLLABUS**
The course will use case studies, reflective exercises and problem analysis to address the following themes:
- exploring what cultural diversity is
- investigating why cultural diversity matters in teams
- harnessing the potential benefits of multicultural teams
- leading diverse, inclusive, and high-performing teams.

## Rabuni Aiswarya P

has completed the following course:

**INTRODUCTION TO BUSINESS MANAGEMENT**
KING'S COLLEGE LONDON

This course introduced foundational business concepts, tools and terminology whilst exploring four key aspects of business management: managing money, managing people, managing information, and – most importantly – managing and understanding yourself. Throughout the course, participants were encouraged to reflect on their own management and leadership style and consider the concepts of success, sustainability, and social responsibility.

**STUDY REQUIREMENT**
4 weeks, 4 hours per week

**LEARNING OUTCOMES**
- Apply a range of business concepts, tools and terminology to common business situations
- Explain the importance of business management for you and your community
- Identify your own skills, interests and ideas, and how you can continue to develop them
- Explore opportunities and challenges of working with others: including collaboration, listening to others, feedback, negotiation
- Explain the important aspects of a business idea to potential customers and investors
- Reflect on what you've learnt and how you will apply this now

**SYLLABUS**
- Managing yourself: introduction to management and leadership styles.
- Managing money and key financial concepts, including the implications of various sources of finance and the relative importance of cash flow and profit.
- Managing people, stakeholder management and professional communication.
- Managing information: different information types and key information management issues.
- The roles businesses play in the lives of people and communities, and social responsibility.
- Aspects of growth and the effects of success.

**LEADING CULTURALLY DIVERSE TEAMS IN THE WORKPLACE**
DEAKIN UNIVERSITY AND DEAKIN BUSINESS SCHOOL

100% AVERAGE TEST SCORE

Cultural diversity in the workplace allows organisations to benefit from differing opinions and approaches. Cross-cultural management is integral to the successful performance of teams. On this course, you addressed the impact of cultural diversity at work to understand both its challenges and benefits to your team. You learnt how to lead a diverse and inclusive team. Completing this course means you should be ready to apply what you've learnt in your own workplace.

**STUDY REQUIREMENT**
4 weeks, 3 hours per week

**LEARNING OUTCOMES**
- Identify and interpret cultural diversity within your organisation
- Develop sensitivity to cultural variations between and within countries
- Reflect on how culture influences your perspective
- Develop a deeper understanding of the opportunities and challenges of culturally diverse teams and how to manage these
- Explore complexity associated with global virtual teams
- Improve communication across cultures and distance
- Identify how to leverage cultural diversity in teams to produce more creative solutions and make better decisions
- Identify how to harness the skills and abilities of multicultural individuals in teams
- Develop an ability to inclusively lead diverse teams

**SYLLABUS**
The course will use case studies, reflective exercises and problem analysis to address the following themes:
- exploring what cultural diversity is
- investigating why cultural diversity matters in teams
- harnessing the potential benefits of multicultural teams
- leading diverse, inclusive, and high-performing teams.

KING'S College LONDON

## Sathiya priya K

has completed the following course:

**INTRODUCTION TO BUSINESS MANAGEMENT**
KING'S COLLEGE LONDON

This course introduced foundational business concepts, tools and terminology whilst exploring four key aspects of business management: managing money, managing people, managing information, and – most importantly – managing and understanding yourself. Throughout the course, participants were encouraged to reflect on their own management and leadership style and consider the concepts of success, sustainability, and social responsibility.

**STUDY REQUIREMENT**
4 weeks, 4 hours per week

**LEARNING OUTCOMES**
- Apply a range of business concepts, tools and terminology to common business situations
- Explain the importance of business management for you and your community
- Identify your own skills, interests and ideas, and how you can continue to develop them
- Explore opportunities and challenges of working with others: including collaboration, listening to others, feedback, negotiation
- Explain the important aspects of a business idea to potential customers and investors
- Reflect on what you've learnt and how you will apply this now

**SYLLABUS**
- Managing yourself: introduction to management and leadership styles.
- Managing money and key financial concepts, including the implications of various sources of finance and the relative importance of cash flow and profit.
- Managing people, stakeholder management and professional communication.
- Managing Information: different information types and key information management issues.
- The roles businesses play in the lives of people and communities, and social responsibility.
- Aspects of growth and the effects of success.

This transcript should be read alongside the accompanying Certificate of Achievement.

## Sathiya Priya K

has completed the following course:

**LEADING CULTURALLY DIVERSE TEAMS IN THE WORKPLACE**
DEAKIN UNIVERSITY AND DEAKIN BUSINESS SCHOOL

100% AVERAGE TEST SCORE

Cultural diversity in the workplace allows organisations to benefit from differing opinions and approaches. Cross-cultural management is integral to the successful performance of teams. On this course, you addressed the impact of cultural diversity at work to understand both its challenges and benefits to your team. You learnt how to lead a diverse and inclusive team. Completing this course means you should be ready to apply what you've learnt in your own workplace.

**STUDY REQUIREMENT**
4 weeks, 3 hours per week

**LEARNING OUTCOMES**
- Identify and interpret cultural diversity within your organisation
- Develop sensitivity to cultural variations between and within countries
- Reflect on how culture influences your perspective
- Develop a deeper understanding of the opportunities and challenges of culturally diverse teams and how to manage these
- Explore complexity associated with global virtual teams
- Improve communication across cultures and distance
- Identify how to leverage cultural diversity in teams to produce more creative solutions and make better decisions
- Identify how to harness the skills and abilities of multicultural individuals in teams
- Develop an ability to inclusively lead diverse teams

**SYLLABUS**
The course will use case studies, reflective exercises and problem analysis to address the following themes:
- exploring what cultural diversity is
- investigating why cultural diversity matters in teams
- harnessing the potential benefits of multicultural teams
- leading diverse, inclusive, and high-performing teams.

## CARING FOR CHILDREN MOVING ALONE: PROTECTING UNACCOMPANIED AND SEPARATED CHILDREN

UNIVERSITY OF STRATHCLYDE AND CELCIS

This online course explored the care and protection of unaccompanied and separated refugee and migrant children who are moving across and between countries, and the risks and vulnerabilities these children face.

### STUDY REQUIREMENT

6 weeks, 4 hours per week

### LEARNING OUTCOMES

- Identify specific risks, vulnerabilities and support needs of unaccompanied and separated children on the move and the application of different appropriate responses.
- Apply the content and meaning of relevant international and national legislation and agreements.
- Explore the principles outlined in the UN Guidelines for the Alternative Care of Children and discover how suitable care can contribute to the protection of children.
- Identify a range of promising practices in relation to suitable alternative care settings that meet the needs, wishes and circumstances of each individual unaccompanied and separated child on the move.

### SYLLABUS

- Why unaccompanied and separated children are on the move, the risks they face and, how best to respond to their circumstances.
- Understanding the importance of offering a range of suitable alternative care options in a country and how this can offer protection to unaccompanied and separated children on the move.
- Illustrating examples of suitable alternative care and support for unaccompanied and separated children being practiced around the world.
- The skills those working with unaccompanied and separated children on the move should have.
- How to fully assess needs and vulnerabilities of unaccompanied and separated children and make decisions that are in their best interests.
- How to build coordination and cooperation between the humanitarian sector and alternative care professionals to improve responses to unaccompanied and separated children.

This course has been made possible by the Caring for Children Moving Alone MOOC Taskforce:

- Better Care Network
