Activity 1

**3 Days Entrepreneurship Awareness Camp On
18th, 19th And 20th September 2018**

The Entrepreneurship Development Cell conducted a three days Entrepreneurship Awareness Camp on 18th 19th and 20th September 2018. This mini project is funded and supported by DST and NSTEDB, Entrepreneurship Development of India, Ahmadabad, Gujarat. The main objective of this project is to create awareness among faculty and students of science about various facts of entrepreneurship as an alternative career option. This project took off with a grand inauguration by lighting kutthuvilakku. Mr.S. Jaisankar, Chief Executive, Thozil Munaivor Allosanai, Salem was the chief guest for the first session. He addressed the gathering by narrating the entrepreneurship concept clearly. He explained about how to register an enterprise, getting loan, income generation, repayment of loan etc., further he motivated the students to become women entrepreneurs, students were much benefited. The program was presided by Dr.Sr. Mary Sheila Susairaj, Vice Principal, Shift II, Dr.Auxilia Antony, Project Coordinator and the members of the organizing committee.

The second session chief guest was Ms. Kowsalya Ramani Industries Thiruchengode, Namakkal. She is a women entrepreneur producing paper cups and napkins. She explained her own story of becoming entrepreneur, how to produce paper cups and napkins, how to be more hygiene and usage of napkins. She also motivated the students to become an entrepreneur by earning through learning.

The Chief guest for the second day was Mr.R.Bharath group Chennai. His vision concentrated on how to be more responsible, confident, self reliant etc., He stressed more about self development and leadership qualities. Thus the students were motivated with zeal and confidence.

On the third day the students were taken to Business Incubation, VIT Vellore which was followed by Dhakshin Chitra, Chennai to know more about heritage and culture of South India.

Activity 3

3 Days Entrepreneurship Awareness Camp on 7th, 8th & 9th February 2019

The Entrepreneurship Development cell organised three days Entrepreneurship camp on 7th, 8th & 9th February 2019. This mini project is funded and supported by DST and NSTEDB, Entrepreneurship Development Institute of India, Ahmadabad, and Gujarat. To add glory to the session, the Self Help Group (SHG) from Vellore has put up different stalls famously known as college bazaar where various handmade and organic products were displayed. To motivate the young and rural women entrepreneurs to start their business and to run their livelihood, this would pave to develop new ideas and implement it. The main objective of this project is to create awareness among faculty and students of Science about various facts of entrepreneurship as an alternative career option to be chosen in their lives. Dr. Rethammal, Physical Directors, has presided the opening ceremony and inaugurated the exhibition cm sales. The project took off with a grand inauguration. The convener Principal Dr. (Sr.) Regina Mary, Vice Principal (Shift II), Dr. (Sr.) Mary Sheila Susairaj, Project Co-ordinator Dr. Auxilia Antony, Head, Department of Commerce (Shift II) and members of the organising committee were present with 75 students from Science department, Mr. Jaisankar entrepreneurship Consultant, Salam delivered a talk on creativity and innovation. He emphasised on how need initiatives, Creativity and Knowledge should be converted into business ideas. Activities like Pictograph, Group discussion, and Questionnaire filling were done by the students. These activation helped the students to learn about the importance of entrepreneurship and stimulated the budding entrepreneurs was a strong foundation in business.

Dr. Emelda Lillion, Entrepreneur trainer from Vellore, was the resource person for the Technical session II, She Addressed and gathering and delivered the speech on entrepreneurship. She conducted activities like paper craft, Pictograph and some Motivational games were held.

On 7/2/2019 Technical session III was presided by Dr, Freeda Gnana selvam. She delivered motivational speech on Entrepreneurship. She delivered her speech by city like examples with video clippings. She had Group discussion with young entrepreneurial students which kindled their mind set.

On 8/2/2019 Technical session IV was conducted by Dr. Anandhi K, Deputy Director, Institute of Logistics, and Chennai She delivered her speech by citing the pros and cons of being an entrepreneur. She gave examples in the form of Stories which enabled the students to learn that doing business in an easy task, but retaining it in left in the hands of young entrepreneur. She also discussed the SWOT analysis and made the students to think on the positive attitude, limitations and intensity facts on entrepreneurship. At the end of the program feedback were distributed among the students and collected.

In the afternoon, practical session on candle making was held and the students had a practical experience on converting the raw wax to candles through making the raw wax with the help of special moulds. The session was useful to the students which motivated them to become entrepreneurs in small scale.

On 9.2.2019 the students were taken for Industrial visits to Britannia Co. Ltd., Pondicherry along with the faculty members Dr. Auxilia Antony, Ms. Sathya .N and Ms. Lalith Priya M.D. and students from third year they visited the Factory and learnt the biscuit Making process. The ingredients for this were Maida (All purpose flour, sugar, water and emulsifying agents. The ingredients were converted to dough and were compressed to turn their shape to biscuit from heating. Through heating the biscuits into a high temperature, they were converted to edible eatable items. Biscuits like Milk bikes', Nice and Nutrichoice were being manufactured in the factory. The students got practical knowledge through Industrial Vist.
