RESEARCH CELL ACTIVITIES REPORT

2021-2022

Activity: 1

DATE: 1.12.2021 & 2.12.2021

PROGRAMME: Orientation Programme

TOPIC: “Innovate to Venture”

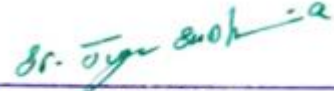

No. of Beneficiaries: 852

The Research and Publication Committee & Centre for Innovation and Business Incubation jointly organised an orientation programme on the topic “**Innovate to Venture**” through zoom platform for the III UG and I & II PG students of both shift I and shift II on 1st and 2nd December 2021. The programme was inaugurated virtually with the prayer song on 1.12.2021 at 3.00 p.m.

The Principal Rev. Sr. R. Jaya Santhi delivered the keynote address, encouraging the students to take up the research work enthusiastically. Dr. S. Lavanya, Assistant Professor & Head incharge of Computer Science introduced the resource person Dr. J. Madhavan, Associate Professor of Physics and Dean of Research, Loyola College, Chennai and welcome the gathering.

Dr. J. Madhavan highlighted on the topic “The art of writing projects”. He mentioned about the significance of research and innovative ideas in writing projects. He focussed on advantages and disadvantages of trade secrets, copyright, patents and geographical indications. 392 PG I & II year students of shift I and shift II participated with enthusiasm and they interacted with the resource person by raising questions.

of thanks. At the end of the session a link for feedback form was send to the students to fill in their comments. The overall session was anchored by Dr. R.H Kalaiselvi, Assistant Professor & Head incharge of B.A. English 'B' section.

The programme was inaugurated virtually by prayer song on 2.12.2021 at 10.00 a.m. Dr. S. Auxilia Antony, Assistant Professor of Commerce, introduced the resource person, Dr. K. Kishore, Assistant Professor of Commerce, Voorhees College, Vellore and welcome the gathering. Dr. K. Kishore highlighted on the topic “Innovative ideas”. He spoke about the role models and inventors of many innovative ideas such as paper N parcels (pick up drop) and tap security solutions. He focussed on entrepreneurship development and opportunities in campus to implement the ideas of innovation. 180 UG III-year students of shift II participated with enthusiasm, and they interacted with the resource person by raising questions. Dr. N. Kumari, Assistant Professor of Tamil, proposed the vote of thanks. At the end of the session a link for feedback form was send to the students to fill in their comments. The overall session was anchored by Ms. N. Nirmala Devi, Assistant Professor of Computer Science.

MAYTREE SCHOOL OF ENTREPRENEURSHIP

- **ROHIT KASHYAP**
- Age 18
- As a young boy from a small town in Bihar, Rohit Kashyap did not have access to a lot of resources.
- Yet, he was winning Olympiads left and right and even ranked under 1000 in the ICAI Commerce Wizard.
- When he wanted to help other kids achieve the same, he got over 350 calls in 45 days. This gave him the idea for a school to help young minds and at the young age of 14, he created Maytree School of Entrepreneurship.
- The virtual entrepreneurship school uses the best faculty to plant the seeds of innovation in young, creative minds.

The Inaugural Address by Dr. (Sr.) Jaya Santhi R., Principal, Auxilium College and Ms. S. Gomati Padma Thilaga, Scientist-B, Patent Information Centre, TNSCST, Chennai, presented her felicitations expressing her appreciation for the organisers attempts to create awareness and inculcate knowledge to the stakeholders of Higher Education.

The Resource Person, Shri Lakshmi Narayanan. A, Examiner of Patents and Designs, Intellectual Property Office, Chennai acknowledged his affiliation to Auxilium College as his sibling's Alma Mater and conveyed his pleasure on being invited to share his expertise and views on IPR. The session proceeded with information imparted at 4 levels: What is IPR? Significance of IPR, Types of IPR, Application for IPR. Technical and literal definitions of the term IPR were distinctly explained with suitable illustrations to bring home the purpose and importance of patenting. For instance, he pointed that the cost borne by FACEBOOK to change its title name to META was around Rs.400 crore. Registering a house for legal possession was the same as patenting property to innovation or invention. IPR in academics could significantly add advantage to profile appraisal of the possessors, which is a matter of pride and esteem. The 7 categories of IPR were claimed to be different commodities in patenting products or processes which could be registered under any one category alone or in a combination, accordingly. The application and procedure to be followed for patenting was clearly explained and quires required for the process and duration of validity were duly answered.

V. Sugantha
DEAN OF RESEARCH
 AUXILIUM COLLEGE (Autonomous)
 Gandhi Nagar, Vellore - 632 006.

Dr. Jaya Santhi R.
PRINCIPAL

 Gandhi Nagar, Vellore - 632 006.
 Vellore District, Tamil Nadu.

The Resource Person, Shri Lakshmi Narayanan. A, Examiner of Patents and Designs, Intellectual Property Office, Chennai shared his expertise and views on IPR.

Brain-storming questions on the information provided on patenting were instantaneously answered by the participants which was followed by the Questionnaire Session. The meet ended with an assurance from the Resource Person of providing e-certificates to the participants as per the details furnished in the Feedback Form forwarded at the end of the session. Dr. Sugantha Kumari V, Director of Research Studies, proposed the Vote of Thanks acknowledging the presence of the dignitaries, organisers and Auxilium College Management for this opportunity to share the informative output and the participants for their active interaction and enthusiasm.
