RESEARCH POLICY

Research is the foundation of knowledge that brings new energy, builds state of the art facilities, promotes research publications, develops collaborations and becomes part of an active community. The purpose of the Research Policy of Auxilium College is to inculcate research aptitude and create a vibrant atmosphere of research among faculty and students.

The Research Policy forms the basics of the research ethics of the College and is implemented in all the departments and it serves as the guidelines for the functioning of the Research and IPR Cell of the College.

Auxilium Research Policy provides a broad framework to guide scholarly research with the following objectives:

1. To create and promote a culture of research among the faculty and students of the College.
2. To identify research areas and specify research topics of academic, practical and socially relevant significance.
3. To organize seminars/conferences/workshops on research topics and training programmes in research methodology.
4. To ensure quality, integrity and ethics in research.
5. To publish research materials in peer-reviewed reputed national/international.
6. To serve as a facilitator providing professional guidance, technical support and recommendation for financial assistance.
7. To establish linkages with industries/ business organizations/colleges/universities to identify potential areas of research, surveys and other basic research enquiry.
8. To encourage faculty members to get research projects from National Funding agencies like CSIR, DBT, DST, ICSSR, SERB, UGC and other such institutions.
9. To create an awareness about patents and Intellectual Property Rights and encourage them to apply for patents.
