2021-2022

Date : 05.11.2022
Event : Extension activity
Place : Divine mercy home for aged
No.of. Participants : 37 students of III B.Sc. Microbiology, Auxilium College
Staff in charge : Dr. Nithya A and Ms. Munasira Begum.V. S,
Assistant Professors, Department of Microbiology, Auxilium College.

Brief report

A team comprising of 37 students and two staffs of the Department of Microbiology, Auxilium College visited Divine mercy home for aged as a part of extension activity. All gathered in the meeting hall where a sister gave introduction about the organization and facilities rendered by them. Later on, she introduced us to their members, where all the students interacted with the residents of the home. The students took survey on their health profiles and engaged them with various cultural activities. The students were very happy to offer Groceries, Snacks and Primary medicines required for the old age people. It was a pleasure witnessing and involving in such wonderful work providing to them unconditional services and love.
