## PG PHYSICS –SHIFT I - Monthly Report – February -2023

Department : PG Physics – Shift I

No. of. Activities : 1

### Activity I

Date : 20th February 2023

Event : Extension Activity, Thiruvalluvar Nagar, Katpadi, Vellore

Organizer : PG Department of Physics

Venue: : Thiruvalluvar Nagar, Katpadi, Vellore

Time : 2.30 - 4.30 pm

### Brief Report

As an extension activity, the staff and students of PG Department of Physics visited the nearby village “Thiruvalluvar Nagar” on 20<sup>th</sup> February. The students conducted games and Quiz for the students of Panchayat School at Thiruvalluvar Nagar and distributed prizes like note books, pens, color pencils and chocolates. The staff and students of the school felt happy thanked and requested to come again. Ten we met the women who gathered near the church in the village. Dr.P.NishaSanthakumari gave an encouraging and motivational talk bringing forth the importance of their children’s studies. Ms.Charumathi, Ms.Ramya and Ms.Praveena of II M.Sc Physics enacted the concepts of educational quality, cleanliness, savings and unity through a small skit. Finally, the staff members and the students of Department of Physics distributed the rice, Dall, Groceries and other eatables to other village people. It was a great experience to the students and staffs a challenge and a chance to help the poor.

Date : 16<sup>th</sup> December 2019  
Event : Extension Activity  
No. of. Participants : I & II PG  
Place : Thiruvalluvar nagar, Vellore district  
No.of. Beneficiaries : 30-40

Brief report :As an extension activity, PG students accompanied by faculty members went to nearby village, Thiruvalluvar nagar on 16<sup>th</sup> Dec 2019. The students along with the faculty members visited the houses at Thiruvalluvar nagar and interacted with them regarding their issues and sorrows; gave them awareness about the cleanliness and child's education. During the house visit students distributed the grocery items, clothes and other essentials. Later, the students hosted small play activity and competitions for the native children aged between 4 and 12 and distributed the school kits. Overall, this activity would have given an opportunity for students to understand the less fortunate sectors of the society and to extend their assistance according to their ability.
