Auxilium CARES (Community Awareness Reach out Extension Service)

Auxilium College has instituted a Centre for Extension Activities under the name “Auxilium CARES (Community, Awareness, Reach-out and Extension Service). The Centre aims at involving students in community engagement and outreach programs through service learning. Students involved in the Extension activities will be awarded credits, as 90 hours of community service is mandatory under the UGC Regulations for the completion of Undergraduate Degree Programmes. The sole objective of the Centre for Extension Activities to ensure sustainable and consistent outcomes for the service programmes of the college. All the departments and the groups and movements of the college were involved in extension service ever since the inception of the college, benefitting the neighbourhood villages through many service programmes like coaching classes, awareness programmes, sanitation, Sapling-plantation and assistance at medical and immunization camps.

Auxilium CARES aims at centralizing and organizing all the extension activities of the departments, groups and movements under one unit for better service learning for students, and a stronger community partnership for the college, to build self-reliant neighbourhood, especially for the rural population.

Aim:

To enable Students a better human being with social concern through service learning

Objective:

To enable Students, explore, experience, understand and reach out to the society beyond the classroom

To involve Students in community development and outreach programs

To ensure sustainable development goals as part and parcel of the extension activities

To sensitize Students on various social issues not only to sympathize but to develop a sociologically analyzes and apply scientific approaches to find a solution for the social problems found.

To promote Students an ambassador of social change and be the voice of the voiceless.

To network and collaborate with International, National, Non-Government and Government organizations in CDP and to actively participate and support the Government Schemes implemented for Students and Social welfare.

Motto:

“To serve, to share, and to sensitize”

Auxilium CARES (Community Awareness Reach out Extension Service)

Auxilium Cares initiated micro-classes programme during the lockdown. The details of the programme as follows.,

The students from rural background especially Government School Students are badly affected because they could not attend school for almost 1 and ½ year. Primary children were the worst affected because they missed all the basics in learning. In order to reach out to such students, our College Students can identify such primary school children in their neighbourhood and conduct micro-alternate classes for them. Each student shall pick a Micro-class ranging between a minimum of 2 and a maximum of 5 children (who had been enrolled in a Government school preferably/ Private school children can also be entertained) from her neighbourhood and teach them basics like alphabets and numbers. The students must ensure that the children are taught art, craft and singing also to ensure that they are involved in learning with joy and enthusiasm.

Guidelines for the Students to organize Micro-Classes:

- Schedule of the classes: It can be conducted twice or thrice a week, or during the weekends, or on alternated days
- Minimum of 2 and maximum of 5 children can be taught by each student
- Minimum of 5 and a maximum of 20 hours of classes can be scheduled with 1 hour of teaching per day.
- Teaching the same set of children for the 20 days duration is recommended, but a different group of children can also be accommodated in the due course of the micro-class.
- Attendance has to be maintained for the children and the progress of the students has to be traced with a learning chart
- Details of the lesson plan stating the lessons taught during the class must be maintained
- At the end of the 20 hours duration, a detailed report with attendance of the children, lesson plan, learning chart and geo-tagged photos must be submitted to the respective tutors
- Minimum of one photo must be taken every day that is whenever the micro-classes are conducted. The Screenshot of the action geo-tagged photo should be enclosed in place provided in the format.
- After completion of minimum 5/ maximum 20 hours, students should submit the above-mentioned details in the format provided in the Extension activity Google class room.

The details of the selected Departments actively engaged the students in micro-classes programme
