Activity I

Date : 11.08.2018

Event : INDUSTRIAL VISIT (VAINU BAPPU OBSERVATORY,
KAVALUR, TAMIL NADU 635 701)

Program : VBO GOLDEN JUBILEE

Chief Guest : **DR RANJAN GUPTAA (SENIOR SCIENTIST)**

IUCAA, PUNE, INDIA

No. of. Participants : 11 (STUDENTS) + 1 (FACULTY)

Brief report : Eleven Students accompanied by staff went for an Industrial Visit to Vainu Bappu Observatory, Kavalur which is located in Jawadi Hills, Alangayam, Tamil Nadu. Dr. Ranjan Guptaa, Chief guest of the days's program gave a talk on "India's involvement in Mega Projects in Astronomy". Various Projects around the globe like ITER, TMT, LHC, INO, SKA, ASTOSAT, INDIGO-UGO and ADITYA-L1 MISSION was explained. He also gave a motivational talk to the students on the scope of Astro Physics and the projects for students was outlined. Ms. Sonu M and Ms. Raksha P of B.Sc Physics (IIIrd year) gave a presentation on 'BLACK HOLES' and won the 2nd Prize for the same. The trip was more informative and useful.

Brief report :

The inauguration of Physics association for the academic year 2019-20 was held on 17th July 2019. The chief guest of the day was **Dr. P. Seenuvasakumaran**, Associate Prof., Department of Physics, **Muthurangam Govt. Arts College, Vellore**. The event started with a prayer song and followed by *Ms. R. Mary Jamila*, Asst. Prof. of Physics, introduced the chief guest and welcomed the gathering.

The inaugural address was delivered by the chief guest Dr. P. Seenuvasakumaran. He gave a lecture on the fascinating behaviour of “**Low dimensional materials**” and explained how the physical and chemical properties of the matter can be tailored by bringing down its dimensions up to nanometres. He started with an historical overview to nanoscience& nanotechnology and brought out its significance by mentioning its unique properties with illustrations and wide range of its applications. *Ms. B. Shalini*, Asst. Prof. of Physics proposed the vote of thanks. The inaugural ceremony was concluded with National anthem.

COLLEGE,
KRISHNAGIRI**

Brief report : Physics association inauguration was held at 10.30 AM on 28th August 2021. UG physics students and staff members were attended the inauguration Programme through Google meet. Dr.R.Arivuselvi, Assistant Professor & Head, PG & Research department of physics, Sri Vidya Mandir Arts and Science college, Krishnagiri was gave the lecture on the topic of „The Science Behind Everything“.

ASSOCIATION ACTIVITY OCTOBER 2021-22

Date : 18.10.2021
Event : Guest Lecture
Topic : Nanomaterial and Solar Cells
Brief report :

The Guest lecture was started at 3.00 PM on 18th October 2021. UG physics students and staff members were attended the guest lecture through Google meet. At the very beginning, the organizing secretary Dr. A Priyadharshini addressed the gathering. The programme starts with prayer service which was done by Ms. S. Jeffi Jas. Then, Department secretary Ms. J Priyadharshini has introduced resource person, Dr.S.Saravanan, Associate Professor, Advanced Research Laboratory for Nanomaterials & Devices, Department of Nanotechnology, Swarnandhra College of Engineering & Technology, Seetharampuram,, West Godawari District, Narsapur. Then the guest lecture started on the topic „Nanomaterial and Solar Cells“. The detail lecture was delivered by the resource person. At the end of the session the resource person interacted with the students. The programme was ended with vote of thanks given by Ms.M.Taseen, assistant department secretary.

Invitation and the programme photos were attached below.

ASSOCIATION ACTIVITY DECEMBER 2021-22

Date : 22.12.2021
Event : Quiz Competition
Place : Physics laboratory

The association activity for the month of December is the quiz competition. The competition was conducted on 22/12/2021 at 11.00 a.m. in Physics laboratory. Five students from each year were separated into five groups and the competition was conducted. It consists of four rounds. Three teams were qualified by leading the scoreboard in the first three rounds. Sharmila, Sindhubharathi and Vithya from first, second and third year respectively have won the competition. A tie breaker was conducted for finalizing the runners. Hemamalini, Priyadarshini and Monisha have won the one on one tie breaker and they became the first runner ups. Kowsalya, Ragavarshini and Sneha are the second runners up.

ASSOCIATION ACTIVITY MARCH 2021-22

Date : 25.03.2022
Event : Invited Talk
Topic : Extirpating Cancer Cells By The Combinaton of Photodynamic Therapy and Nanomagnetic Hyperthermia
Place : Seminar Hall

Brief report : The Department of Physics have organized a Guest Lecture by Dr. N. Arunai Nambi Raj, Dean and Head of School of Advanced Sciences, VIT. He has delivered a guest lecture on the topic, “ EXTIRPATING CANCER CELLS BY THE COMBINATON OF PHOTODYNAMIC THERAPY AND NANOMAGNETIC HYPERTHERMIA”. This Event has happened on 25/03/2022 at Computer Block Seminar hall from 11.00 a.m. To 12.00p.m.

**AT 2 PM IN THE COMPUTER BLOCK
SEMINAR HALL**

**CHIEF GUEST
REV.DR. G. THEO HIL**

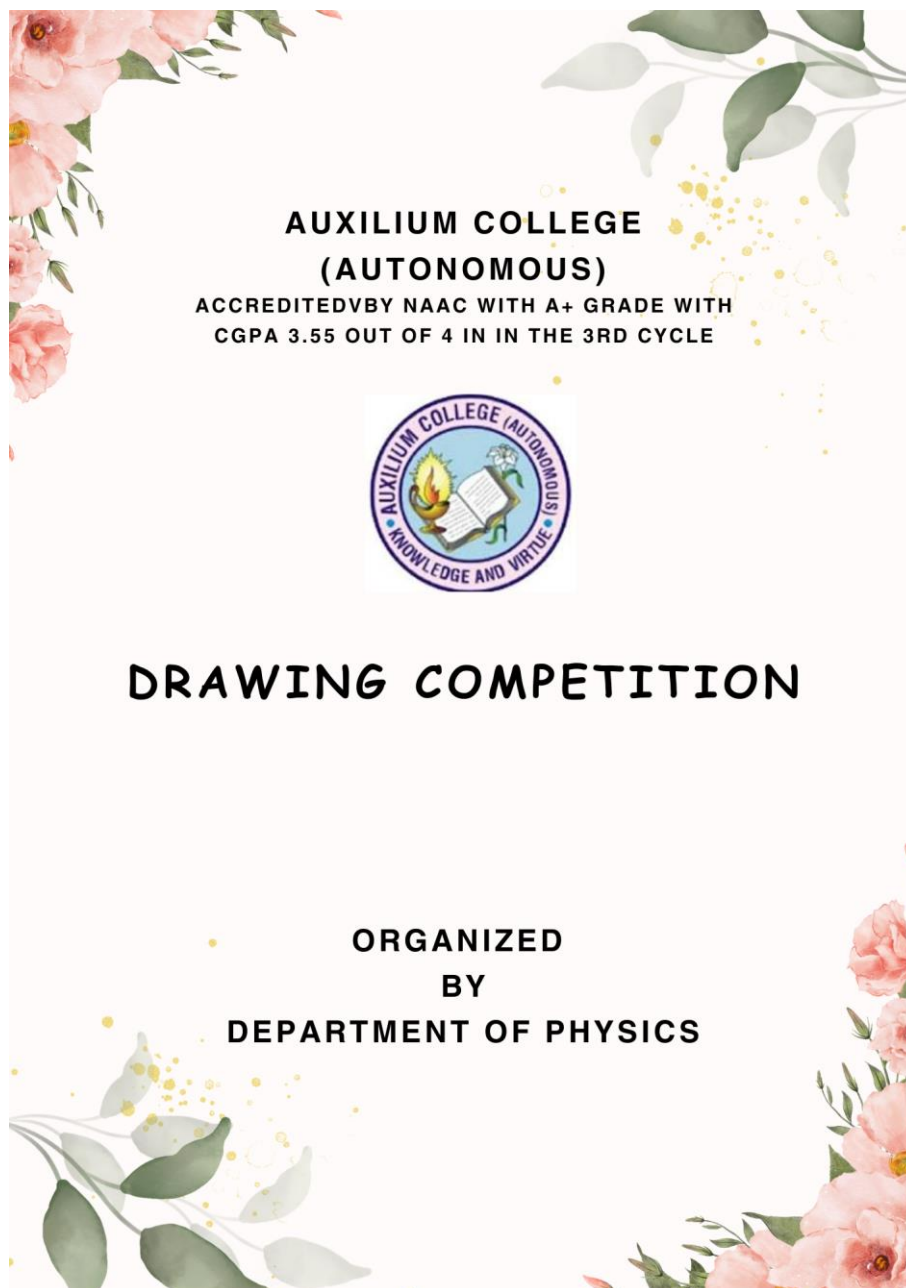

The physics association Inauguration for the academic year 2022 – 2023 was conducted on 17th August, 2022 at computer block seminar hall. Rev. Dr. G. Theophil Anand, Assistant professor, PG and research department of physics, Sacred Arts College, Tiruppattur was invited as chief guest. He delivered a talk on “75 years of India’s scientific development and future technologies” of various organisations such as ISRO, DRDO, white revolution link, etc. He also explained about fundamental concept of physics that was behind in nature. He gave outline about Gravitational waves, Artificial intelligence, chat bot, CT scan etc., both UG and PG students actively participated in the event and enriched their knowledge. Finally the students put forth their queries to the speaker.

September 2022-23

Drawing Competition

Association activity for the month of September was conducted in the seminar hall computer block. Drawing competition on “Physics humour “was the topic given Sr. Vency Head department of physics shift I was the chief guest.

Prize winners:

First Prize: K.M. Shupriya (III Year)

Second Prize: A.P. Amritha (II Year)

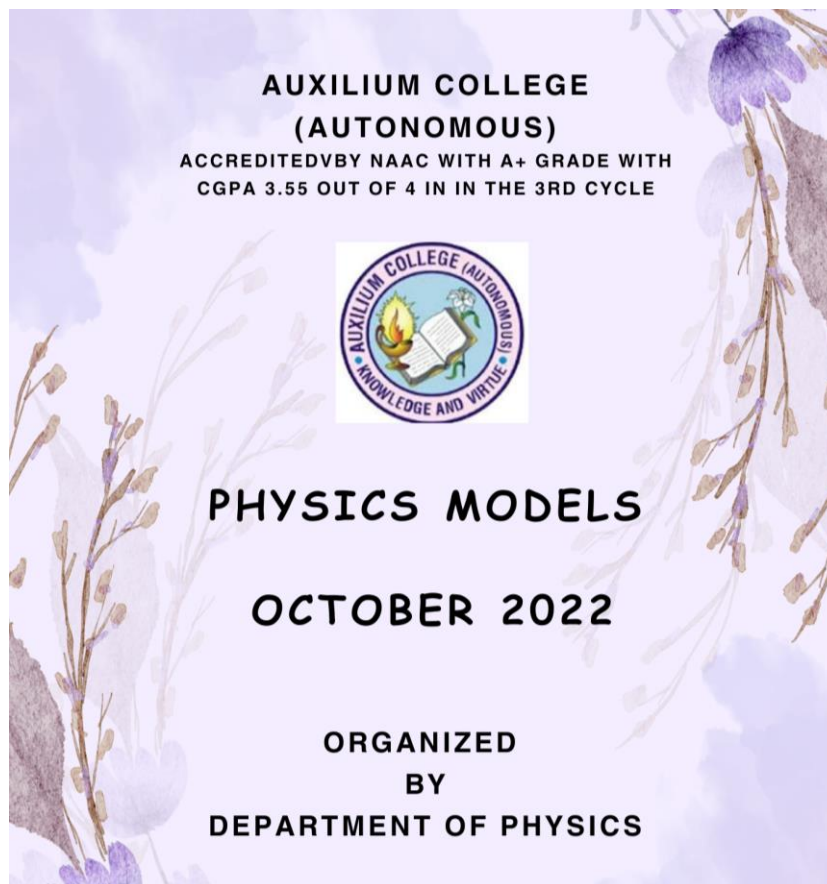

Third Prize: M.D.Poulin Prasanna (III Year)

OCTOBER 2022-23

PHYSICS MODELS

Association activity for the month of October was conducted in the Physics lab. Physics Models on “Basic Principles” was the topic given. Dr. Sarjila Assistant Professor P.G. Department of Physics. Shift I was the chief guest.

Prize winners

First Prize: M. Taseen (III Year)

Second Prize: D. Kowsalya (II Year)

Third Prize: D. Monika (III Year)

JANUARY 2022-23

STUDENTS INDUSTRIAL VISIT VISHWESHWARAIAH MUSEUM – BANGALORE

Forty one students of B.Sc physics III Year took part in the Vishweshwaraiah Museum Bangalore. The museum displays industrial products scientific models and engines. The students saw the exhibition halls on engines, electricity fun science, space biotechnology, electronics and animated dinosaurs, life size model of wright brother’s flyer and interesting shows like science on a sphere, taramandal, 3D Film show and science show etc. The learned more interesting scientific facts. Students were accompanied by the staff member’s Sr.Vency Head of the department and Dr.S. Deepapriya Assistant Professor. The list of the students came for industrial visit.

MARCH
2022-2023
SCIENCE EXPO

On 7th March 2023, Science exhibition was organized by UG department of physics in order to give awareness to students about “General Physics” students from other departments were invited for the exhibition. The program started with a prayer song and was inaugurated with ribbon cutting by Mr.V. ChandraMohan, senior secondary teacher Ida scudder school Vellore and Sr. Vency , Head of the Department, Auxilium college. Many models were presented by UG students Focussed on the concept of General physics in the field of Electricity, sensors, conservation of energy etc. I, II, III UG students actively participated in this event. More than 100 students visited the exhibition and enriched their knowledge. Prizes were announced for the best models. The event successfully ended with a photo session. The following are the prize winners.

QUIZ COMPETITION

Quiz competition was held on 21.4.2023 for the students of physics department in the seminar hall. The quiz consisted of three round. The students are divided into nine teams covering physics formula, problems, basic concepts for electricity, magnetism, light and atomic physics. It had a rapid fire round made it more exciting for the participants and audience both. All the participants were well prepared. The competition was very tough but in the most exciting and thrilling battle was won by three groups.

First prize

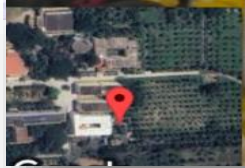

K.M. Shupriya (III year), M. Niraimathi (II year), R. Manjupriya (I year)

Second prize

S. Sneha (II year), S.Komathi (I year)

Third prize

P. Naveena sri (III year), S.P.Sangamitha (II year), N. Nisha Nandhini (I year)
