Herbal Plant Exhibition and Free Siddha Medical Camp

29.07.2022

Event: Herbal Plant Exhibition and Free Siddha Camp

Date: 29/07/2022

Participants:550

To enhance the immunity for a healthy life, the Department of Botany collaborated with Dr.Bas Siddha Health Care, Vellore to organize a Herbal Plants Exhibition and Free Siddha Medical Camp on 29.07.2022. The exhibition intends to create awareness among the students about the utilization and importance of medicinal plants growing in this biosphere. The medicinal plant exhibition was inaugurated by Sr.Sumathi, Vice Principal, and Dr.Baskaran, Siddha Doctor, Impcops Director. The main attraction of the exhibition was exhibiting nearby 80 rare medicinal species, and explaining their use and the important phytoconstituents present in them. The exhibition provided a platform for students to see, and experience the true scent of, medicinal plants. The significance of medicinal gardens, awareness about preservation, conservation, and stewardship of natural resources, made a huge impact on the minds of the students.

A team of seven doctors led by Dr. Baskaran conducted the free Siddha medical camp and also distributed Siddha medicines to the students and staff. More than 500 students and 50 staff benefited from the free Siddha medical camp. Free herbal masks and medicinal plants were distributed to students. The medicinal plant exhibition and free Siddha camp were a grand success and provided a path to reshape students' attitudes towards medicine and medicinal plants.
