Awareness Program on Rainwater Harvesting and Conserving Nature

08.06.2022

Event: Awareness Program on Rainwater Harvesting and Conserving Nature

Date: 08.06.2022

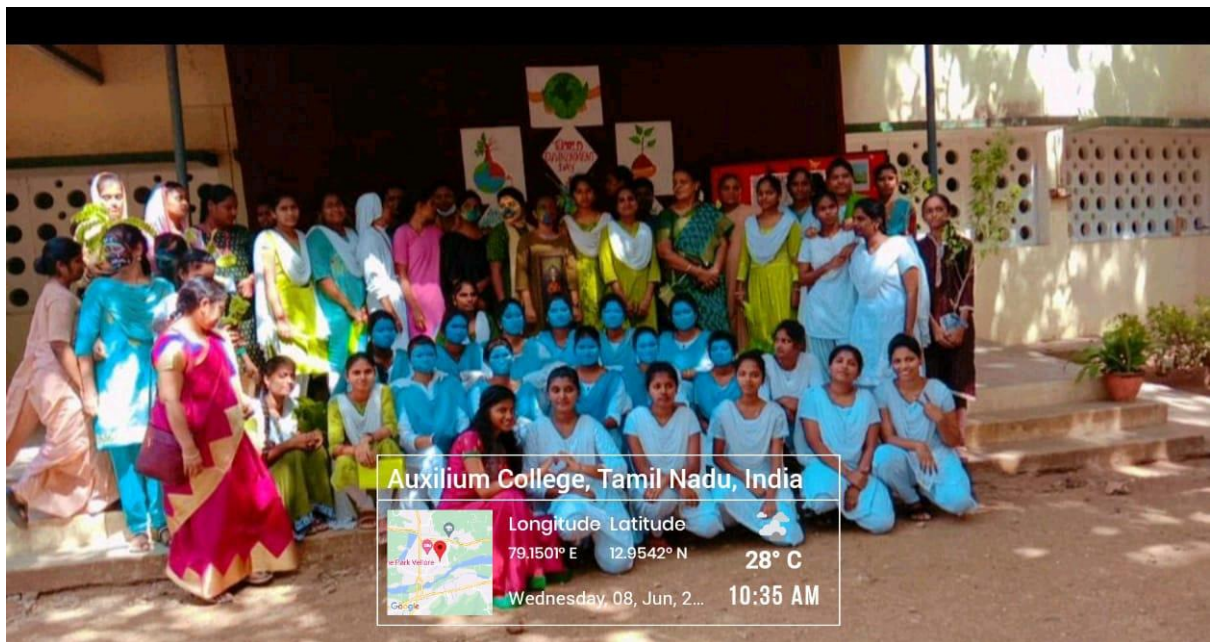

Participants: 500

Venue: Mathematics Block - Common Assembly

An awareness program “Awareness Program on Rainwater Harvesting and Conserving Nature” was given on June 8th in commemoration of World Environment Day in a common assembly conducted at Maths Block. The Enviro Club members actively participated in various programs like mine, dance, singing, face painting and created an awareness of how to save water and conserve the nature. They thanked the environment. Quotes on environment were exhibited through charts. Students planted medicinal plants in the college campus.
