**International Virtual Conference on  
“Walk Together to Care for the Common Home – Earth”  
23.01.2021**

Event : International Virtual Conference  
Date : 23.01.2021  
Time : 11.00 a.m. to 1.00 p.m.  
Platform : Google Meet  
Participants : 235

Department of Botany and Enviro club organized International Virtual Conference on 23/01/2021 for the Staff and Students from the colleges of ISSFMA all over the world. **“Walk Together to care for the Common Home – Earth”** was the core theme taken for the Conference and 235 participants actively participated in the virtual conference.

Rev. Sr. Ivon Goulart Lopes, the Coordinator – (ISS – FMA) Salesian Sisters Generalate, Rome Itlay, felicitated this webinar encouraging everyone to adopt a **“More integral and Integrating Vision”**. She beautifully presented what both of the Encyclical letters of Pope Expect from us explaining that Laudato Si’ is not a green encyclical, but a concept that highlights the inseparability of concern for nature, justice for the poor, commitment to society, and inner peace. Rev. Sr. Runita Galve Borja, General Councillor for Youth Ministry, Salesian Sisters Generalate, Rome, Italy gave the keynote Address. She asked everyone to have a wider vision on “Laudato Si’ and Fratelli Tutti” as it insists on care for our common home and for the lives of others since we are called to be responsible for our fellow human beings.

The first session was presented by Rev. Fr. Alphonse Philip, Rector and Correspondent, Don Bosco Matric Hr. Sec. School, Tirupattur on the theme **“ Care for our Common Home”**. He navigated our thoughts towards the question raised by Pope Francis, “What kind of world do we want to leave to those who come after us, to children who are now growing up? He explained very clearly the need to reflect on the effects of the climate change brought about by global warming and greenhouse pollution and to take up responsibility in preserving our Mother Earth for the future generation. Rev. Sr. Sumathi M., Head and Assistant Professor of History, Auxilium College took over the session II on the Topic: **Impact of Fraternity and Social Friendship in Higher Education**. She presented the apt document “Fratelli Tutti” at this time of need, in glimpse telling that Life exists where there is bonding, communion, and fraternity and life is stronger than death when it is built on true relationships and bonds of fidelity. She added that real lasting peace will be possible only based on a global ethic of solidarity and cooperation in the service of the whole human

family. She encouraged, in particular, the youngsters to create a world of sisterhood and brotherhood by becoming neighbours to everyone even to those who are distant.

# Webinar on “Water is The Substance of Life. Treasure It!” 26.02.2021

The screenshot shows a Google Meet interface. The main content area displays a presentation slide with a snowman on the left and a water cycle diagram in the center. The diagram features two large blue arrows forming a loop, with the word 'ICE' written vertically on the left arrow and 'RAIN' on the right arrow. Below the diagram, the text reads: "To have a healthy nature, we have to reduce the sea level and transfer the water to land as rain and make the poles with more ice. *But how?*". The slide is presented by 'vincent paulraj'. The top of the screen shows the browser address bar with the URL 'meet.google.com/sqj-ekhw-fjg?authuser=0' and the time '3:36 PM'. The bottom of the screen shows the Windows taskbar with the search bar and system tray.

The screenshot shows a Google Meet interface with a grid of participants. The participants are represented by circular icons with their names and initials. The names visible include Gowri BV, Divya Shree.v, vincent paulraj, PAVITHRA. M English 3rd C, Mythili Mythili, VARSHA V S, Gowri BV, SAJIDA BANU M, Kalpana V N, Vinisna sudnagar, Shabnam Fathima, Gowri BV, Shalini S Zoology, Nithya A, Isabella Rosaline S, and Ashwini V. The top of the screen shows the browser address bar with the URL 'meet.google.com/sqj-ekhw-fjg?authuser=0' and the time '3:55 PM'. Event : Webinar on "Impact of Global Pandemic on Environment"  
Date : 07.08.2021  
Time : 11.00 a.m. to 12.00 p.m.  
Platform : Google Meet  
Participants : 324

The Enviro Club organized a webinar on the "Impact of Global Pandemic on Environment". The resource person Dr.H.Rehana Banu, Assistant Professor of Botany, PSGR Krishnammal College discussed the multifaceted effects of the COVID-19 pandemic on the environment. She highlighted the decreased human activity leading to reduced pollution levels, improved air and water quality, and insights into sustainable practices and emphasized the importance of global cooperation for lasting environmental benefits post-pandemic, urging participants to integrate lessons learned into future policies for a more resilient and eco-friendly world. More than 150 participants enriched their knowledge.
