AUXILIUM INTERNATIONAL ECO CLUB STUDENT CHAPTER 2022-2023

NAAC CYCLE IV SSR 2023

Auxilium International Eco Club Student Chapter Inauguration

28.11.2022

On November 28, 2022, an exciting event took place on the college campus as the International Eco Club Student Chapter was inaugurated in collaboration with Nature Science Foundation, Coimbatore. The Student Chapter, an extension of the global International Eco Club, aimed to empower college students with the knowledge, resources, and opportunities to actively participate in environmental conservation and sustainability initiatives. The primary objective of the International Eco Club Student Chapter inauguration was to encourage and inspire college students to take an active role in addressing environmental challenges. The event brought together enthusiastic students, faculty members, and local environmental organizations to celebrate the launch of this significant endeavor. The resource persons were Dr.R.Mary Josephine, Principal, St.Joseph's College for Women, Tiruppur, Dr.P.Ponmurugan, Associate Professor of Botany, Bharathiar University, Dr.D.Vinoth Kumar, Joint Director, NSF and Ms.V.Sri Santhya, Assistant Director, NSF. Distinguished guest speakers, shared their insights and experiences in the field of environmental conservation. They spoke about the urgency of addressing climate change, the impact of individual actions, and the potential for college students to drive positive change. The event successfully attracted a diverse group of students from various disciplines, fostering a sense of environmental consciousness and encouraging active involvement in the chapter's activities. More than 3000 students (shift I and II) registered in International Eco Club Student Chapter and received ID cards and certificates. With the establishment of the Student Chapter, college students are now equipped to be responsible citizens in contributing to a more sustainable future for both the college and the world.

Poster making and Slogan Writing Competition

08.03.2023

The Eco Club students participated in the Poster making and Slogan Writing competition organized by Nature Science Foundation, Coimbatore on the theme “More powerful the Woman, the stronger will be the Nation” in commemoration of International Woman's Day on 8th March, 2023. The event saw enthusiastic participation from students who creatively expressed the pivotal role of women in nation-building. The posters showcased diverse talents, depicting women as catalysts for positive change and progress. The slogans echoed empowerment, resilience, and the transformative impact of women on societal strength. The competition successfully highlighted the importance of recognizing and celebrating the power and potential of women in shaping a robust and prosperous nation. Participants left inspired, and the event contributed to fostering a culture of empowerment and equality on campus.

Shift I

Poster making -16 students and

Slogan writing -100 students

Shift II

Poster making -24 students and

Slogan writing -54 students

The students received the participation certificates from NSF.

Slogan Writing

08.03.2023

We All are Human Beings

Gender Equality

Gender equality, also known as gender justice, is the view that all people should receive equal treatment and not be discriminated against based on their natural gender identity.

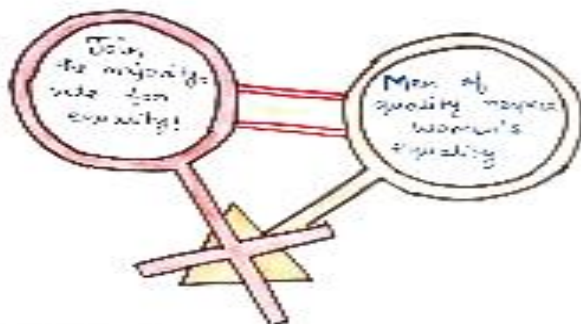

Gender shouldn't determine your worth

Equality

Women are as strong as men

Men, their rights, and nothing more!
Women, their rights, and nothing less.

Men and Women In Equality;
Endowed with the same Dignity!

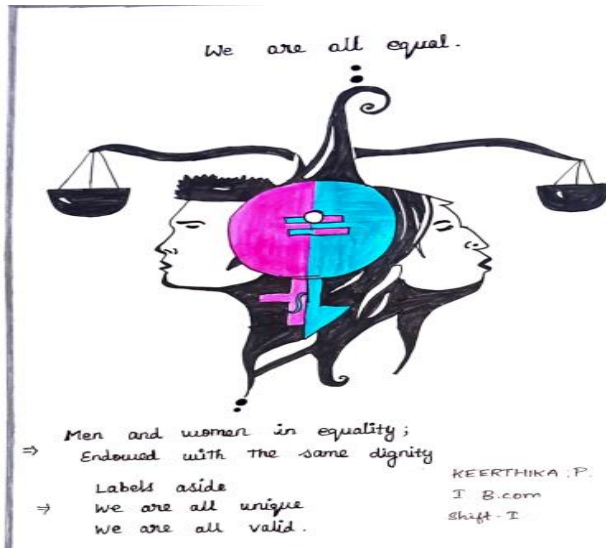

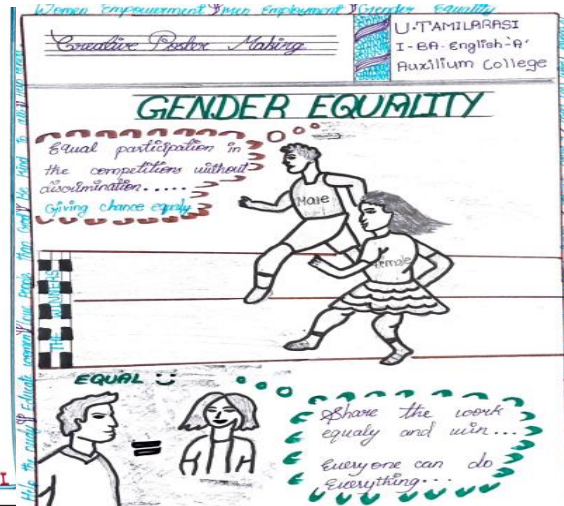

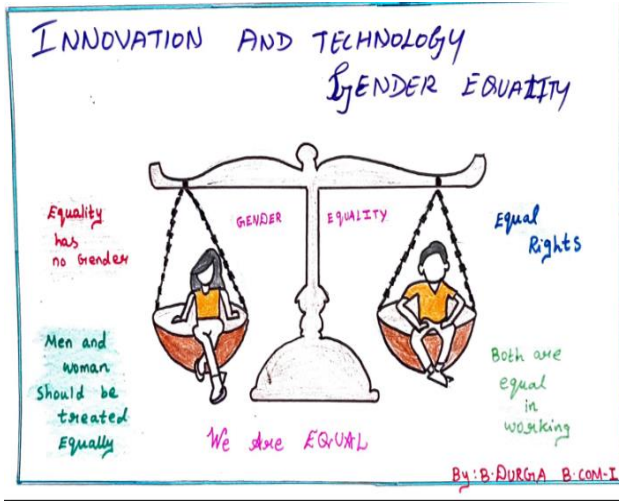

Gender Equality is a Human Right!
Not a Female Right!

See dreams and try to complete
Not be what you need to be in your life
Always live in reality, not in imagination
Live according to you, not others.
Live every day in your life as the last day of life
Not remember life is what you make it
Remember past, live in present and always
plan better for future.
