Scrutiny Report – Online Class Activities

S. No.	NAME OF THE DEPARTMENTS	PAGE NUMBERS
1.	English	1-4
2.	Tamil	5-12
3.	History	13-15
4.	Mathematics	16-28
5.	Chemistry	29-38
6.	Zoology	39-44
7.	Physics	45-56
8.	Commerce	57-62
9.	Bio-Chemistry	63-65
10.	BCA	66-67
11.	Computer Science	68-76
12.	Microbiology	77-79
13.	Electronic Media	80
14.	BBA	81-84
15.	MSW	85-86
16.	Psychology	87-88

Report of the Scrutiny of Work Done

Department of English

The Subject allotments were made in such a way that each staff member gets 2 online classes and 1 offline class per day on an average. The allotment of hours for the courses is as follows:

No. of Hours per week	Online	Offline
Main and Allied Courses	3	2
SBE and NME	1	2
General English	4	2

All the online classes were held on Google meet and Offline class materials were uploaded on Google classroom

As the courses of the English Literature Programme is primarily text-based most of the teaching methods involved:

- Lecture method, with the aid of power point presentations, videos, audio lectures, podcasts and images relevant to the subject taught
- According to the literary genre taught, the students were given activities like play-reading for courses like Theatre and Shakespeare.
- To make learning interesting and engaging, students were given creative assignments like literary pageants of literary characters
- For General English and SBE courses the students were given writing exercises as homework, which the students submitted to the teacher as image files
- The portions prescribed for Detailed study were done only through online classes and the Non-detailed portions were taught through offline classes
- The first year students were given an orientation on the Programme in general and about the courses

CA and FA

The CA exam was conducted on Google meet under the invigilation of a staff member the meeting was recorded and the students instructed to keep their video on throughout. The snapshots were submitted by the students on the Google Classroom for correction

For FA the students were given seminars, quizzes and assignments

I – C.A. Timetable

S.No.	Date	Class	Course

Odd Semester 2020-2021

Report on Lesson Plans

In order to contain the spread of COVID-19 pandemic in the educational institutions and to ensure continuity in teaching- learning process, Ministry of Education and UGC issued several directives/ advisories/ guidelines to the universities and colleges, including the one to impart online education by making the best use of e-resources.

Through all the communications made by Ministry of Education and UGC, the Department of Mathematics, Auxilium College, Vellore will put best efforts to conduct the academic sessions of the odd semester 2020-2021 and complete the syllabi with teaching-learning processes using online modes such as Google Classroom, Google Meet, You Tube streaming and OERs. Based on the guidelines and academic calendar 2020-2021 given by our Principal, the Department of Mathematics will frame the lesson plans for the II UG and III UG papers from July II Week to November III week and the lesson plans for the I UG papers from September II week to December IV week.

The Department of Mathematics will take necessary initiatives to enlighten the present teaching-learning scenario to parents and students. To build informal communications between teachers and students, a class wise WhatsApp group will be created. The complete Syllabi will be covered by online classes through Google Meet and the students will be given additional learning aids such as video lectures and study materials prepared by the respective teachers, YouTube lecture videos and eBooks through Google class room.

To regulate students learning habits, weekly practice quizzes and home tests will be organized.

To inculcate the habit of self-learning in students, homework and assignments problems will be given regularly. The innovative component and formative assessments will be conducted as quiz, assignments and seminars through Google Meet/Google forms/Google Class room in the stipulated period. The continuous assessment will be conducted as written examination through Google forms/Google Class room in the stipulated period.

Scrutiny Committee Report

A staff meeting was conducted through google meet and the Scrutiny committee was constituted. Dr.S.Jhancy Mary and Dr.B.Scholastica Mary Vithiya are the members. The planning was done during the meeting regarding teaching, learning and evaluation. The mode of conduct of exams, invigilation and activities were also planned.

The teaching plan was submitted by all the staff to the Head of the Department and the staff members are submitting the work done on every sixth day order to the Head of the Department.

Report:

The online mode of teaching for the odd semester commenced on 8.07.2020 for II and III UG students. The classes commenced on 9.09.2020 for the I UG students. The classes for II and III UG students were on synchronous mode alone for the months of July and August. It was decided to complete 60% of the portions through synchronous mode and 40% through asynchronous mode from the month of September. Accordingly the timetable was framed for three hours of synchronous and 2 hours of asynchronous classes on all working days. One formative assessment and two formative assessments were conducted for I and II CA respectively and one written test was conducted for each CA through online mode which will be averaged to 30 marks out of 40 marks for the internal marks. Innovative components for 10 marks was conducted for the internal marks for II and III UG courses. Two formative assessments were conducted for I CA and one written test was conducted for I CA through online mode for I UG. Similarly II CA will be conducted for I UG. Regarding NME and SBE courses two FAs and one written test for CA will be conducted.

The following are the highlights including the methodology of the portions covered in the syllabus of each course and the remaining portions to be covered.

UCCHA20 – General Chemistry -I

60% of the portions were completed through online mode. The remaining 40% will be completed by 21st December. The study materials, reference materials, Video links are posted in the google classroom and assignments and tests are conducted through offline mode.

UCCHC20 - Inorganic Qualitative Analysis Practical

The preliminary reactions, sodium carbonate extract tests, elimination procedure and the systematic analysis of cations were explained in synchronous mode. The tests for anions and cations were shown as videos from NROER in synchronous mode. The Systematic analysis procedure is posted in the google classroom. The writing of procedure was explained in synchronous mode. A sample procedure for the inorganic mixture Nickel, Magnesium, Oxalate, Sulphate was posted in the google classroom. Tests for simple anions and interfering anions and systematic procedure for five inorganic mixtures were given as assignments in google classroom during the asynchronous hours and the same is asked to be entered in the observation note book. Viva Question and answers were posted in the google classroom. Viva Questions were posted in the google classroom to be submitted in the assignment session during one asynchronous hour. The same will be continued for the rest of the academic year and more videos will be shown from Amrita olabs.

UCCHD19 – General Chemistry III

90% of II UG theory syllabus has been completed through synchronous mode and 10% of the syllabus through asynchronous mode by way of posting study materials, video links, and reference materials in the google classrooms created by the staff handling the course. Two formative assessments were conducted for each CA and one written test was conducted for each CA which will be averaged to 30 marks out of 40 marks for the internal marks. Innovative components for 10 marks was conducted for the internal marks.

UCCHF19 – Volumetric Estimation

Regarding the practical course of II UG seven out of 13 experiments were completed. In a six day order system, out of three practical offline hours, one hour was spent on explaining one estimation(Online), second hour was utilized to make the students to write the observation notebook (written pages were uploaded and corrections were given) and during the third hour, assignment was given on viva questions.

UCCHG16 - Inorganic Chemistry

80% (4 Units) were completed and 20% (1 Unit) is yet to be completed through online mode before the due date. Two assignments and regular home tests were conducted during offline hours.

Vellore District, Tamil Nadu.

UCCHH16-Organic Chemistry

The portions were taken 100% through synchronous mode. The portions will be completed and revised by 13th November. The study materials were posted in the google classroom created for the course. For some topics video lectures were created and posted for revision. During the asynchronous hours students were given work to prepare assignments from the study materials posted on the topics covered during the week. Two Innovative components were completed. One was through jamboard in which each student created innovative slides on the topic assigned to her and other was through flipgrid in which each student created a 90 second video on the topic assigned to her and both were submitted in the google classroom assignment session. The FA, CA and IC were evaluated and the marks returned to the students. Five students took seminar on five small topics.

UCCHI16-Physical Chemistry

The portions were taken 100% through online mode. The portions will be completed by November 13th. During the offline hours students were given work to do prepare study materials, do derivations, prepare Power points on the topics covered on different types of luminescence and photo sensitization and were asked to work out problems. FA and CA were completed during online hours. One topic was taken as a seminar by Srimathi of III B.Sc. Chemistry.

UECHA16 -Analytical Chemistry

Four units have been completed and one more unit will be completed by 18 November through online mode. During the offline classes materials are posted in the google classroom and tests and assignments are given.

USCHC519 – Small Scale Chemistry

Three units were completed through online mode. The other two units will be completed by 18 November. Materials were posted in the google classroom and assignments were given based on the materials posted through offline mode.

UCCHL16-Physical Chemistry Practical

The experiments were explained during the online hours. Eight experiments were explained till now. Students were taught how to do the calculations and graph. During the offline hours, values for the experiments were posted and the students were made to do the calculations and graph and were asked to post in the classroom. The remaining experiments will be completed by the end of November.

UCCHM16 – Gravimetric Estimation

Two experiments out of seven were completed. Chemlibre online resource, Open Learning Resource course material (text and Videos) available at Carnegie Mellon University, Animation at Amritha University Virtual Lab were used for the explanation.

UCCHN16 – Organic analysis & Preparation

Organic analysis and preparation were explained through procedure and virtual lab. Writing of observation was taught.

UGCHA519 – Food and Nutrition Chemistry

Three units were completed through online mode. The other two units will be completed by 18th November. Materials were posted in the google classroom and assignments were given based on the materials posted through offline mode.

USCHB319 - Medicinal chemistry

Three units were completed out of which 90% through online mode and 10% through offline mode. Assignments and tests were given.

UGCHB519 – Cosmetics and Dyes

Three units were completed through online mode. The other two units will be completed by 18th November.

UACHA20 – Allied Chemistry – I (Zoology)

40% of the portions were completed through online mode and the remaining portions will be completed by 21st December. Assignments and tests were given through offline mode.

UACHC20 – Allied Chemistry Practical (Zoology)

Functional group analysis and basics of volumetric analysis were completed. Observation writing was taught. Assignments were given. 40% of the practical portion is completed.

Report of the Scrutiny Committee Meeting

Members of the Scrutiny Committee:

Dr. J. Rosaline Ezhilarasi

Dr. V. Sugantha Kumari

Mode of Meet: Online

The teaching plans of both the theory and practical papers for M.Sc. Chemistry were checked thoroughly for their appropriateness in accordance to the guidelines given by the college and were approved by the committee with the following corrections for the welfare of the students.

1. To teach the students as much as possible (more than 60%) through online mode.
2. As it is not possible to carry out the chemistry experiments using virtual labs, We decided to do the following:
 - To explain the practical procedures and the theory behind the experiments.
 - To post demo videos of the experiments and assess students' understanding.
 - To conduct tests on procedure writing.
 - To do model calculations.
 - To draw model graphs.
 - To write the procedures in the observation note books.
 - To give assignments on viva questions.

S. Jhany Mary

HOD

Dr. S. JHANY MARY
Asso. Prof. & Head,
Department of Chemistry
Auxilium College,
Vellore - 632 006.

Dr. Jagan Sundar

PRINCIPAL

PRINCIPAL
AUXILIUM COLLEGE (Autonomous)
Gandhi Nagar, Vellore - 632
Vellore District, Tamil Nadu

Auxilium College (Autonomous), Vellore- 6.
PG and Research Department of Zoology.

Minutes of the Internal Scrutiny Committee.
Approval of the teaching Plan for the academic Year 2020-2021 Odd semester.

DATE: 12.9.2020
VIA : Google Meet

TIME :5.00 PM
LINK: zcnxcotevs

COMMITTEE MEMBERS:

1. Dr. Arockiamary J.S
Associate Professor and Head
Dept. Of Zoology, Auxilium College.
2. Dr. Mary Agnes. A
Associate Professor of Zoology, Auxilium College.
3. Dr. Uma Chandra Meera Lakshmi. N
Assistant Professor of Zoology, Auxilium College.

AGENDA

1. Approval of the teaching plan for theory and practical proposed by the course in-charge/ course coordinator/ faculty, in view of the guidelines/instructions given by the College Management to provide education to the students through the online portals.
2. Selection of the preferred platform for online and offline classes.
3. Schedule to Conduct of CA and offline assessments.

The Internal Scrutiny Committee discussed and approved the following...

1. The teaching plan for online and offline classes proposed for the odd semester courses (Teaching Plan Attached).

S.No	Course	Code	Theory/Practical	Faculty Incharge
B. Sc Zoology

AUXILIUM COLLEGE (AUTONOMOUS)
DEPARTMENT OF PHYSICS (UG –U28)
MINUTES OF SCRUTINY COMMITTEE MEETING

The staff members of The Department of Physics formed the Scrutiny Committee on **30th July 2020**. It was headed by Mrs. Shalini B, Head In-charge of the Department. The members were Dr.Saranya P.E, Dr. Priyadharshini A, Dr. Lakshmi V.S, Ms. Rajalakshmi, Assistant Professors of Physics. The meeting was held on **30th July 2020**. The following were the agenda for the meeting was as follows:

- Distribution of subjects and fixing work load
- Appointment of tutors for each class
- On-line course admission of students and their follow up
- Methodology for conduct of Formative Assessments, Written Examinations and Innovative Components were discussed.
- Learning procedure about e sources
- Appointment of Class representatives and Association, Club Secretary
- Preparation of Lesson Plan according to the guidelines i.e60% of syllabus teaching through online and 40% of syllabus through offline.
- Discussed about the Virtual lab for practical which is needed.

The following resolutions were taken:

- Subjects were divided and work load per staff member was fixed. Time Table was prepared.
- Dr.Saranya P.E and Ms. Rajalakshmi were appointed as tutors for II Physics and Dr. Priyadharshini A and Dr. Lakshmi V.S were appointed as tutors for I Physics. Mrs. Shalini B for third Physics
- Tutors of each class took in-charge of registration and follow up of online and offline classes
- Various modes such as Tests through Google Forms, Oral tests, Open Book tests, Seminars and Assignments, preparing their own videos on one particular topic which is there in syllabus for each paper were decided for Formative Assessment and Innovative Components.
- Sivaranjani K. was appointed the Association Secretary
- Teaching Plan regarding topics being taken online and offline was submitted.

Report:

The online mode of teaching for the odd semester commenced on 08-07-2020 for II and III UG students. On 09-09-2020 classes started for the I UG students. The classes for II and III UG students were on synchronous mode alone for the month of July and August. It was decided to complete 60% of the portions through synchronous mode and 40% of through Asynchronous mode from the month of September. Accordingly the time table was fixed for three hours of online and 2 hours of offline on all working days. Formative assessments were conducted for I and II CA and also written test was conducted for each CA through online mode which will be averaged to 30 marks out of 40 marks for the internal marks. Innovative components for 10 marks was conducted for internal marks for II and III UG. Two formative assessment were conducted for CA I and one written test was conducted for I UG. Regarding SBE and NME courses two FA assessment and one written test for CA will be conducted.

B. Shalini

UCPHA20-PROPERTIES OF MATTER AND ACOUSTICS

95% of I UG-Properties of matter and Acoustics syllabus has been completed through synchronous mode and 5% of the syllabus through asynchronous mode by posting study materials and reference materials in google classroom created by the staff handling the course. Two formative assessments were conducted and one written test was conducted for each CA which will be averaged to 35 marks out of 40 for the internal marks. Innovative components for 5 marks was conducted for the internal marks.

UAPHA20 - ALLIED I: PHYSICS – I

90% of I UG theory syllabus has been completed through online mode and 10% of the syllabus through the offline mode by way of posting study materials and reference materials in the google classroom. Two formative assessments were conducted for each CA and one written test was conducted for each CA which will be averaged to 30 marks out of 40 marks for the internal marks. Two assignment and regular home tests were conducted during offline hours.

UAPHC20: ALLIED PRACTICAL: PHYSICS

9 out of 15 experiments were completed during the offline classes. Student's observations and practical records were corrected.

UCPHC20: PRACTICAL-I

9 out of 15 experiments were completed during the offline classes. Student's observations and practical records were corrected.

USPHA120 – SKILL-BASED ELECTIVE: EVERYDAY PHYSICS

90% of I UG SBE (theory) syllabus has been completed through online mode and 10% of the syllabus through the offline mode by way of posting study materials and reference materials in the google classroom. Online test has been conducted through google class room for the 10 marks of internal component.

UCPHG17-ELECTRICITY AND MAGNETISM

90% of III UG-Electricity and Magnetism syllabus has been completed through synchronous mode and 10% of the syllabus through asynchronous mode by posting study materials and reference materials in google classroom created by the staff handling the course. Two formative assessments were conducted and one written test was conducted for each CA which will be averaged to 35 marks out of 40 for the internal marks. Innovative components for 5 marks was conducted for the internal marks.

Sr. Jeyga Santhi

PRINCIPAL
AUXILIUM COLLEGE (Autonomous)
Gandhi Nagar, Vellore - 632 006.

UCPHI17 - BASIC ELECTRONICS

90% of III UG theory syllabus has been completed through online mode and 10% of the syllabus through the offline mode by way of posting study materials and reference materials in the google classroom. Two formative assessments were conducted for each CA and one written test was conducted for each CA which will be averaged to 30 marks out of 40 marks for the internal marks. For the 10 marks of internal component, students were sent their recorded PowerPoint video presentations in the google classroom.

UCPHH17 –Atomic Physics and Spectroscopy

The portions were taken fully through online mode.the portions will be completed and revised by 13th November. The study materials were posted in google classroom created for the course. For some topics video lectures were shared and recorded audio was posted for revision. During offline hours students were given work to prepare assignments from the study materials posted on the topics covered during the week. Two innovative components were completed. One was through presentation in which each student created five minutes video on the topic assigned to her. It was submitted in the class room page. The FA,CA and IC were evaluated and the marks returned to the students.

UCPHL17 - PRACTICAL - III: GENERAL PRACTICAL

The experiments were explained during the online hours. Nine experiments were explained. Students were taught how to do the calculations and graph. During offline class the experimental procedure were posted and the students were made to go through the procedure. And it was completed by the end of november

UCPHL17-Practical - IV: Applied Electronics

The experiments were explained during the online hours. Nine experiments were explained. Students were taught how to do the calculations and graph. During offline class the experimental procedure were posted and the students were made to go through the procedure. And it was completed by the end of November.

UEPHA17 – ELECTIVE I A: DIGITAL ELECTRONICS AND COMMUNICATIONS

90% of III UG theory syllabus has been completed through online mode and 10% of the syllabus through the offline mode by way of posting study materials and reference materials in the google classroom. Two formative assessments were conducted for each CA and one written test was conducted for each CA which will be averaged to 30 marks out of 40 marks for the internal marks. Test has been conducted for the 10 marks of internal component.

EVEN SEMESTER

UCPHB20-THERMAL PHYSICS AND STATISTICAL MECHANICS

80% of I UG- theory syllabus has been completed through Chalk and board and 20% of syllabus through online mode. Two formative assessments were conducted and one written test was conducted for each CA which will be averaged to 35 marks out of 40 for the internal marks. Innovative components for 5 marks was conducted for the internal marks.

UAPHB20- ALLIED II:PHYSICS – II

20% of I UG theory syllabus has been completed through online mode and 80% of the syllabus through the offline mode in the classroom. CA1 and CA2 have been conducted for 50 marks and written test was conducted for the 5 marks of internal component in the offline mode.

USPHA120 – SKILL-BASED ELECTIVE: EVERYDAY PHYSICS

50% of I UG SBE (theory) syllabus has been completed through online mode and 50% of the syllabus through the offline mode by way chalk and board. Study materials and reference materials were posted in the google classroom for their reference. Online test has been conducted through google class room for internal component similarly Offline test is also conducted.

UCPHD19 – MATHEMATICAL METHODS AND CLASSICAL MECHANICS

90% of II UG mathematical methods and classical mechanics syllabus has been completed through synchronous mode and 10% of the syllabus through asynchronous mode by posting study materials and reference materials in google class room created by the staff handling the course. Two formative Assessments were conducted and one written test for each CA which will be averaged to 35 Mark's out of 40 for the internal marks .Innovative components for 5 Mark's was conducted for the internal Mark's.

UCPHE19 – OPTICS

40% of II UG optics syllabus has been completed through synchronous mode and 60% of the syllabus through asynchronous mode by posting study materials and reference materials in google class room created by the staff handling the course. Two formative Assessments were conducted and one written test for each CA which will be averaged to 35 marks out of 40 for the internal marks .Innovative components for 5 marks was conducted for the internal marks.

Dr. Jeyaraj

AUXILIUM COLLEGE (Autonomous)
Gandhi Nagar, Vellore - 632 006.
Vellore District, Tamil Nadu.

UCPHF19 – PRACTICAL – II

9 out of 15 experiments were completed during the offline classes. Students observations and practical records were corrected.

UCPHJ17-NUCLEAR PHYSICS

80% of III UG- Nuclear Physics syllabus has been completed through Chalk and board and 20% of syllabus through online mode. Two formative assessments were conducted and one written test was conducted for each CA which will be averaged to 35 marks out of 40 for the internal marks. Innovative components for 5 marks was conducted for the internal marks.

UEPHC17 – ELECTIVE II A: SOLID STATE PHYSICS AND MATERIAL SCIENCE

20% of III UG theory syllabus has been completed through online mode and 80% of the syllabus through the offline mode in the classroom. CA1 and CA2 have been conducted for 50 marks and written test was conducted for the 5 marks of internal component in the offline mode.

UEPHE17-ELECTIVE IIIA MICROPROCESSOR-8085

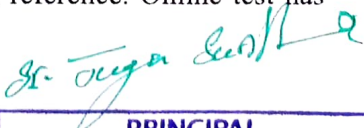

80% of III UG- Microprocessor syllabus has been completed through offline class hours and 20% of syllabus through online class. Two formative assessments were conducted and one written test was conducted for each CA which will be averaged to 35 marks out of 40 for the internal marks. Innovative components for 5 marks was conducted for the internal marks.

USPHB319 – SKILL-BASED ELECTIVE: HOME APPLIANCES

50% of II UG SBE (theory) syllabus has been completed through online mode and 50% of the syllabus through the offline mode by way of posting study materials and reference materials in the google classroom. Online test has been conducted for the 10 marks of internal component.

USPHD617 - SKILL-BASED ELECTIVE: MOBILE COMMUNICATION

50% of I UG SBE (theory) syllabus has been completed through online mode and 50% of the syllabus through the offline mode by way chalk and board. Study materials and reference materials were posted in the google classroom for their reference. Online test has

DEPARTMENT OF BIOCHEMISTRY
SCRUTINY COMMITTEE MEETING 2020-2021

AGENDA:

- Approval of the Teaching Plans by Scrutiny Committee in view of the objective of the college and for the approval of the academic council.

MINUTES OF THE MEETING:

The Scrutiny Committee meeting was organised on 06.11.2020 at 2.00pm.

The members went through the teaching plans of Theory papers and checked its appropriateness with regard to the instructions provided.

The Guidelines for the academic year 2020-2021 (ODD SEM) was proposed by the administrative body of the college on 25.08.2020.

The II UG (Batch 2019-2022) and III UG (Batch 2018-2021) classes began on 08.07.2020 and for I UG (Batch 2020-2023) and I PG (Batch 2020-2022) classes began on 09.09.2020 and 13.10.2020 respectively.

In view of the Guidelines, the Staff members were instructed to teach 60% of the syllabus through online classes and 40% through offline classes.

The staff-in-charge of the course are requested to prepare a detailed teaching plan (for 15 weeks) mentioning clearly the topics that will be covered in every unit through online and offline during each week mentioning the teaching methodology with digital tools.

The six-day order pattern (Monday– Friday) was followed with a timing from 9.00am – 3.45pm with one-hour duration of each class and a break of 15 minutes in between. Each day, courses were taught through three hours of online classes and two hours of offline classes.

The online classes were taken using G-Suite (Google meet) and Offline classes using Google classroom.

The offline teaching and activities was done by posting videos/ e-content/PowerPoints/study materials/ reference links, assignments and quiz.

The Scrutiny Committee members resolved that the teaching plan submitted by the faculty members can be submitted before the academic council for ratification.

The link used by staff members for online class were

DEPARTMENT OF COMPUTER APPLICATIONS (SHIFT I) – U09

MINUTES OF SCRUTINY COMMITTEE MEETING

The staff members of The Department of Computer Applications (Shift I) formed the Scrutiny Committee on 26-08-2020. It was headed by Ms. Anita Madona M, Head In-charge of the Department. The members were Ms. Kavitha S. and Ms. Sivaranjini N, Assistant Professors of Computer Applications (shift I). The meeting was held on 28-08-2020.

Agenda of the meeting:

- Distribution of subjects and fixing work load
- Appointment of tutors for each class
- Appointment of IT Club Staff Incharge.
- On-line course admission of students and their follow up
- Methodology for conduct of Formative Assessments, Written Examinations and Innovative Components
- Enrolling for Online Courses
- Appointment of Class representatives and Association Secretary
- Preparation of Lesson Plan

The following resolutions were taken:

- Subjects were divided and work load per staff member was fixed.
- Ms. Kavitha S., was appointed as tutor for III BCA, Ms. Sivaranjini for II BCA and Ms. Anita Madona M as tutors for I BCA.
- Ms. Kavitha S took in-charge of registration and follow up of online courses
- Various modes such as Tests through Google Forms, Oral tests, Open Book tests, Seminars and Assignments were decided for Formative Assessment and Innovative Components
- Ms. Nivetha J - III BCA was appointed the Association Secretary
- Teaching Plan regarding topics being taken online and offline was submitted.

Report:

The online mode of teaching for the odd semester commenced from 08-07-2020 for II and III UG students. On 09-09-2020 classes started for the I UG students. The classes for II and III UG students were on synchronous mode alone for the month of July and August. It was decided to complete 60% of the syllabus through synchronous mode and 40% of the syllabus through Asynchronous mode from the month of September. Accordingly the time table was fixed for three hours of online and 2 hours of offline

on all working days. Formative Assessments was conducted for I CA and II CA with written test with 30 marks allotment in the online mode and Innovative components for 10 marks comprising of Assignments, Quiz, Seminar and oral test for I, II and III UG.

Internal Scrutiny Report – Odd Semester (2020 – 2021)

Name of the Faculty: Ms. Nisha Pauline R.

Designation: Assistant Professor & Head

S. No.	Subject Name	Class	Classes allotted Per Week		Portions Covered (%)	
			Online	Offline	Online	Offline
1.	Research Methodology	I M.Sc. Computer Science	3	2	80	20
2.	Relational Database Management Systems	III B.Sc. Computer Science	4	2	80	20
3.	RDBMS Practicals	III B.Sc. Computer Science	2	1	50	10

Online Classes:

- The Video Conferencing App, Google Meet and Web-Based Platform, Google Classroom were used.
- Google Slides were used for presenting the presentations.
- The e-books and e-contents were streamed in the Google Classrooms for the student's reference.
- Seminar topics were given to the students to encourage their quest for knowledge.
- Students were asked to conduct Quizzes in order to make the classes lively.
- Only 60% of the practical exercises were taught as the students were not able to install the software in their mobiles.

Offline Activities Conducted:

- Posted YouTube links to make students understand the concepts better.
- Conducted quizzes and tests.
- Formative assignments were given to kindle the interest of the students.

- Students were asked to take notes from the e-contents and the same was submitted for verification.
- Various real time scenarios were provided and the students were asked to frame queries in SQL to retrieve required data.

2.	Java Programming and Practicals	II B.Sc. Computer Science	4	2	60	40
3.	SBE: Software Testing	III B.Sc. Computer Science	1	1	60	40

Online Classes:

- Took all subjects (Java, Software Testing and Compiler Design) during my class time with the minimum of 60%.
- 97% of the students attended the class and a separate attendance report of each class in excel format was maintained.

- Students interacted very well and they asked many questions and clarified their doubts during the class hours.

Offline Activities Conducted:

- Posted many power point presentation, question paper, video link to my Google class room for all the subjects with a maximum of 40%.
- Students accessed the file during my offline class time and prepared notes, tests were written and paper submitted. They also watched the video of the particular subject.
- Assignment submission, Lab program execution was also worked out during offline class time.
- Students posted their output of the lab exercise in the Google class room and the output of each student was verified.
- Students asked many doubts in the practical subject and all the doubts were clarified through Google class room and WhatsApp.
- Seminar topics were assigned and the students took the seminar with good interest.

Teaching online comes with some inherently unique challenges. Without the face-to-face interaction provided via physical classrooms, we have difficulty catering to unique learning styles. Video Conferencing App Google Meet and Web-Based Platform Google Classroom were used.

Fortunately, I have provided a better learning experience to my students, by incorporating some of the best online teaching techniques and methods, such as:

- PPT Presentation.
 - [It is regarded by many as the most useful and accessible way to create and present visual aids to the audience]
- Making live chats with students to solve their doubts.
- Using Google classroom to conduct test.
- Notes Writing

- [Students used to write notes on daily portions and they were instructed to post in Google classroom with date everyday]
- Conducting live quizzes using quiz master, kahoot, flipquiz., etc.
- Conducting offline quizzes using Google forms.
- Providing both ppt and pdf materials.
- Giving assignments on Google classroom.
- YouTube learning.
 - [Students are asked to observe the video and try their own ideas and also make them write what they observed through those videos in their notebooks]
- Daily questions were asked on previous day portions which make them recall yesterday's portions.
- Students were also asked to frame all possible 2 mark and 1 mark questions in order to make them know the nook and corner of each chapter.
- Conducting Continuous Assessments, Formative Assessments on time.
- Lab programs were practiced using online C compilers namely <https://www.jdoodle.com/c-online-compiler/>,
- https://www.onlinegdb.com/online_c_compiler and TurboCdroid mobile app.
- To improve student's communication skill and to gain knowledge, interested students were asked to take seminars.
- Daily one practical program was practiced by students and output attached in Google classroom.
- Regularly attendance was marked.
 - [Students who take more than 2 days leave were monitored and enquired to know the reason and make them understand the importance of attendance percentage]
- Daily 5 minutes was spared to educate them about values that will shape their future and help them to learn the right way to lead their life.

REPORT OF SCRUTINIZING COMMITTEE:

The classes for II UG and III UG students' began on 9th Aug 2021; for I UG and I PG classes started on 23rd Aug 2021.

Staff members were instructed to do with the lesson plan for the courses in the format provided by the college. The Scrutiny members went through the lesson plan and formulated a guideline for the work to be carried out by the department staff during the Pandemic Covid'19 until further instructions by the government in opening the higher education institution.

Google meet and Google classroom were used as the platform for online and offline teaching. The students WhatsApp group was initiated for every class to join the meet with link and classroom. Google classroom was started for all the courses and recorded video lectures, study materials in the form of Reference books, pdf, Power point slides and word documents were posted for student's reference. The formative assessments of students were regularly monitored and attendance was maintained for every hour by the course staff respectively.

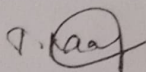

According to the guidelines framed by the institution, the department followed 5 hours of online classes from 11 am to 04.10 pm of 50 minutes duration and a break of 10 minutes in between every hour from the month of August with fixed hours for SBE, NME and VE courses. Regular classes were taken through Power Point presentations and Video lectures. Every hour attendance was maintained by the course teacher and monthly attendance was monitored by the Head of the Department

As per the guidelines received from the state government, regular classes (alternate day's face to face classes) started on 01.09.2021. II UG students had regular classes on Monday, Wednesday and Friday. III UG had their regular classes on Tuesday, Thursday and Saturday. II PG students had classes from Monday to Saturday. Later on, As per Guidelines received further I year UG and PG students used to come for regular classes from 04.10.2021 by following institutional timings.

Practical Google Classroom were started for the virtual understanding of concepts of Basic Practical's in Microbiology, however, hands on training for a microbiology student is mandatory. Practical Classrooms were posted with You tube videos, Practical Booklets, and diagrams / references for spotters allotted. Regular follow up of the procedure writing work was monitored by the staff incharge.

Staff meetings and ward meetings are conducted online twice a month by the Head of the Department, to monitor the above works in the Department of Microbiology as per the teaching plan and to receive feedbacks from the students.

PG DEPARTMENT OF SOCIAL WORK

MINUTES OF SCRUTINY COMMITTEE MEETING

The staff members of The Department of Social Work formed the Scrutiny Committee on 23-08-2020. It was headed by Mrs.Ruby Martin, Head In-charge of the Department. The members were Ms.Sharmi A. and Ms. Elavarasi P, Assistant Professors of Social Work Department. The meeting was held on 23-08-2020.

Agenda of the meeting:

- Distribution of subjects and fixing work load
- Appointment of tutors for each class
- Methodology for conduct of Formative Assessments, Written Examinations and Innovative Components
- Distribution of students for fieldwork guidance and research guidance
- On-line course admission of students and their follow up
- Enrolling for Online Courses
- Appointment of Class representatives and Department Secretary
- Preparation of Lesson Plan

The following resolutions were taken:

- Subjects were divided and work load per staff member was fixed.
- Ms.Sharmi A., was appointed as tutor for I MSW and Ms. Elavarasi P for II MSW
- Ms.Sharmi A. took in-charge for the main records and department works and Ms. Elavarasi P took in-charge of registration and follow up of online courses
- Various modes such as Tests through Google Forms, Oral tests, Open Book tests, Seminars and Assignments were decided for Formative Assessment and Innovative Components
- Ms. Ruby Martin, head of the department decided about field work guidance and research project
- Teaching Plan regarding topics being taken online and offline was submitted.

Report:

The online mode of teaching for the odd semester commenced from 08-07-2020 for Final year students. On 09-09-2020 classes started for the I UG students. The classes for II MSW students were on synchronous mode alone for the month of July and August. It was decided to complete 60% of the syllabus through Virtual classes (online mode) and 40% of the syllabus through Face to face classes (offline mode) from the month of September.

Accordingly, the time table was fixed for three hours of online and 2 hours of offline on all working days. Formative Assessments was conducted for I CA and II CA with written test with 30 marks allotment in the online mode and Innovative components for 10 marks comprising of Assignments, Quiz, Seminar and oral test for both I & II years.

Department of Psychology (November 2020)

Scrutiny Committee meeting

A scrutiny committee consisting of Dr. Vijayalakshmi and Ms. Rojashree met through google meet. The discussion centered around applying guidelines provided by the college for online classes and making the best of available teaching options. Working hours, absenteeism and exam conduction were among the topics discussed. The points listed below were decided upon as guidelines to be followed by the department for the odd semester 2020.

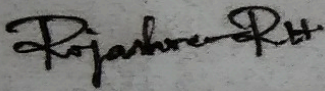

- Continuation of teaching – learning – evaluation through google meet. Staff will create separate classrooms for each subject they handle.
- To follow regular fivehour classes (9:00 – 1:30) per day in the six day order pattern (Monday to Saturday) from 02. 09.2020.
- Learning materials such as text books, reference books, notes, videos, e- content, etc to be posted on google classroom in a timely manner.
- Create and submit a comprehensive teaching plan detailing the division of portions, timeline and teaching aids to the HoD.
- Following are the rules for absenteeism:
 - Permission for leave to be obtained atleast one day prior through message or phone call from the parent's number.
 - Written leave letter, signed by parent to be scanned and submitted via email and whatsapp.
 - Students joining online class will not be allowed entry after first five minutes and considered absent.
 - Students who do not respond during attendance call will be marked absent.
 - Students who remain on mute when addressed directly during class will be removed after 2 warnings and marked absent.
- The following are the guidelines for examinations:
 - Internal evaluation - CA I and CA II to be conducted for 30 marks based on formative assessments (FA) and written examination (WE). Innovative component is assigned 10 marks and can be in the form of group presentations, seminars, assignments, quiz, etc.
- The syllabus for UG I should be completed on or before 22. 12. 2020

As per the above guidelines set, classes for I UG began on 02.09.2020. Lesson plan and work done have been submitted by respective staff members. Students were mostly present for online classes. A record of attendance was maintained by the staff. Course materials were shared on google classroom along with assignments and quizzes (MCQ). Written examinations were also conducted using google meet, with students uploading their answer scripts to the classroom within the allotted time. Staff members maintained a record of marks for their respective subjects.
