Examination Reforms

2017-2018

1. Each student should spend at least120 hours in every semester in the College Library (Main or department library). A card system will be followed.

2. For Job oriented skill based papers are offered   and 2 CA tests of one hour each conducted for training .and most of these papers are objective type .

3. For the Third year under graduate students Inter disciplinary Papers are offered to and exams are conducted.

4. It is mandatory students should attend the Value education, Environmental courses, to complete the programme.

5. Project and Internship are compulsory for the Post graduate students.

6. For Post post graduate programme IEC(Individual Elective Papers) are offered outside the class hours and self - study is made by the students and exams are conducted to develop their intelligent ability

2019-2020

- Even Semester Examinations of April 2020 was cancelled for the I year (2019 -2022), II year (2018-2021) undergraduate students and I year Postgraduate students (2019-2021) due to the Pandemic, COVID-19, and for III year Undergraduate Students (2017-2020) and II year Postgraduate students (2018-2020) Objective Type Online Examinations was conducted.

- November 2020 Odd semester I & II Continuous Assessment Examinations were conducted in online mode through Google Class room by the Course teachers due to the Pandemic.

November 2020

- November 2020 Semester Examination for I, II & III year Undergraduate students and I & II year Postgraduate students were

conducted through online mode. Invigilators were called for Invigilating Students online enabled by a software. Descriptive type question papers were set. Students captured the answers and uploaded the paper. ICT Technology was used for the examination purpose. Those who were not able to upload, due to technical issues were permitted to send the PDF file of answer scripts to the Controller of Examinations through E-mail.

- Due to lockdown the summer project was changed in to online course for Postgraduate students.

Special Arrear Examinations

- Since the Government issued orders to conduct the examinations for the arrear students over offline mode, in February 2021, the duration of the Examination was reduced to two hours, for 60 marks due to the Pandemic.

Semester Examinations April 2021

- I Continuous Assessment Examinations of the Even Semester was conducted through offline mode. II Continuous Assessment Examinations were conducted in online mode on Google Classroom, by the course teachers for all the Undergraduate and Post graduate students.

- Even Semester Examinations of May 2021 was conducted in MCQ Pattern over online for 60 Marks.
  All the Arrear Examinations were conducted online on Google Class room, in May 2021.
  Supplementary Examinations were conducted through offline mode in July 2021. Meticulous planning was done to facilitate the Conduct of Examination during the pandemic.

2021-2022

- Question papers for Internal Assessment and End Semester Assessment were generated from the QN Smart software based on Bloom's Taxonomy and OBE (Outcome based Education) format.

- All the Applications for the Semester Examinations, Supplementary Examination, Revaluation, and Photocopy was received and processed online
- The Examination Committee conducted an evaluation on the conduct of examination through Google forms and the evaluation report was presented at the meeting of the College Council for the betterment of teaching and evaluation methods.

2022-2023

- The parameters of the learning outcomes will be specified in the question papers of CA Examination and Semester Examination, as well as in the scoring sheet of the answer scripts to enable the mapping of the Course Outcomes.
- Question bank is available for the students in the ERP portal.
- Value Added courses introduced from the Academic year 2022-2023.
- OBE Pattern was formulated for the question paper to assess the outcome based education.
