### POLICY REGARDING DIFFERENTLY ABLED

The differently-abled persons need special arrangements in the College environment for their mobility and independent functioning. To support the differently-abled students and staff, the College maintains the following facilities as a policy:

1. The College has created special facilities such as ramps, rails, lifts and special toilets, and made other necessary changes to suit the special needs of differently-abled persons.
2. Counselling on the types of courses they could study at the College.
3. 3% admissions to various programmes are reserved for the differently-abled students
4. Assistive devices like wheel-chair and other equipment according to the requirement of such students are available in the College.
5. Guidance is given regarding scholarships, concession, fee waivers, etc., from the Government and other sources.
6. Guidance and Counselling at the personal and academic levels.
7. Assistance in the examination procedure like arranging scribes, grant of extra time, etc., and other such allowances according to the type of disability and need of the individual.
8. Conduct awareness programmes for teachers of the College about the approaches to teaching, evaluation procedures, etc, which they should address in the case of differently-abled students.
9. Motivate the students to accept and help the differently-abled students.
